Position: Architect

Base Salary: \$50k

Contact Person: Phillip Kern

Labarre Architects, APAC, a member of Labarre Associates is seeking one licensed Architect to join our growing, diverse company. Labarre has been in business for over 25 years providing architectural, construction, facility management, and real estate services to a diverse and dedicated client base.

A qualified candidate must hold a 5 year professional degree or Master's degree in Architecture with a minimum of 3-5 years professional experience. Must be proficient in AutoCAD and MS Office applications. Candidate must have experience producing construction documents including specifications. Strong verbal and written communication skills are critical. Candidate must have experience managing projects and clients through all phases of design and construction. LEED accreditation is a plus. Candidate must also demonstrate a willingness to participate as a team member in a diverse company.

Compensation shall be based directly on the candidates experience, resume and references of past employment. In addition to base salary, candidate is eligible to participate in performance based incentives as well as potential corporate commissions and bonuses. Other benefits include health insurance, 401(k), and paid time off.
